Chapter 1 by Artheimr

"Yggdrasil is the tree of life. The branches of the Yggdrasil stretches all over the nine realms , and extend up and above the heavens. The nine realm's names are Asgard, Vanaheim, Alfheim, Midgard, Jotunheim, Svartalheim, Nidavellir and Muspelheim. Yggdrasil is carried by three enormous roots. The first root is in Asgard, the home of the gods. By this root is a well named Urd's well, this is where the gods held daily meetings. The second root goes down to Jotunheim, the land of the giants, by this root is Mimir's well. The third root goes down to Niflheim, close to the well Hvergelmir."

After reading the book about Yggdrasil, I returned the book from the bookshelves. I bid my farewell to the old ladies as I was exiting the library. Outside the library, my uncle Erik was waiting for me: " So? Did you find any interesting books inside the library, Reinfr? he asked opening the door for me "Nope, I didn't, all those books were pretty much boring as hell." I replied while i was buckling up my seatbelt. My uncle just chuckle it off, since he knew that I like to read books and Manga's. " So did you already master your Japanese language? " he asked smiling at me " Yep! Learn it in just 1 month, like I told you I could " I said grinning to myself.
